## Accessibility Policy

## **Accessibility Policy Overview**

At Digital Power UK LTD, we are committed to providing equal access and ensuring that our website is accessible to all individuals, regardless of their abilities or disabilities. We strive to comply with the Web Content Accessibility Guidelines (WCAG) 2.1, published by the World Wide Web Consortium (W3C), to ensure our website is inclusive and usable by a wide range of users. This policy outlines our commitment to web accessibility and the steps we take to achieve it.

## **Compliance Standards**

- a. We aim to meet the Level AA success criteria of the WCAG 2.1 guidelines.
- b. We continuously monitor and test our website to identify and address accessibility issues.
- c. Our website is designed to be compatible with commonly used assistive technologies and web browsers.

## **Website Structure and Design**

- a. We use a responsive design to ensure our website is accessible on different devices and screen sizes.
- b. Text content is presented in a clear and readable manner, with sufficient colour contrast and resizable fonts.
- c. Navigational elements are consistent and organized logically, with clear labels and headings.

## **Alternative Text and Media**

- a. Images, graphics, and multimedia elements are accompanied by descriptive alternative text (alt text) to provide equivalent information.
- b. Captions or transcripts are provided for audio and video content, ensuring accessibility for users with hearing impairments.
- c. Colour is not the sole means of conveying information, and critical information is not conveyed through audio alone.

### **Keyboard Accessibility**

- a. All website functionalities are operable using a keyboard, without relying on mouse or touch-based interactions.
- b. Keyboard focus is visually distinguishable and moves in a logical order through interactive elements.

## **Forms and Input Fields**

- a. Forms and input fields are designed with clear labels and instructions, allowing users to understand and complete them accurately.
- b. Error messages are provided in a clear and understandable manner to assist users in resolving form submission issues.

## **External Links**

- a. Links to external websites open in new windows or tabs, ensuring users can easily navigate back to our website.
- b. We are not responsible for the accessibility of third-party websites we may link to, but we make efforts to link to reputable and accessible sources.

## **Continuous Improvement**

- a. We encourage feedback from users regarding any accessibility issues they may encounter.
- b. We regularly review and update our accessibility policy and practices to enhance web accessibility continually.
- c. We provide training and education to our web development team to ensure they understand and implement best practices for accessibility.

## **Contact Information**

- a. For any accessibility concerns, questions, or requests for accommodations, please contact us at [Contact@DGTLPower.com](mailto:Contact@DGTLPower.com).
- b. We strive to respond to inquiries regarding web accessibility within a reasonable timeframe.

Digital Power UK LTD is dedicated to providing an inclusive online experience for all users. By following these guidelines and continuously improving our website's accessibility, we aim to create a positive and accessible environment for everyone.
